WELDWOOD MARKETING

Do you know anyone who started a 7-figure marketing agency from their dining room table with their newborn 3rd kid on their shoulder? Whelp, now you do.

Down-to-earth, street-level communication, Jake Zufelt is what your next event needs.

“DIGITAL MARKETING DISRUPTER”

If you've already got a marketing guru who ensures business owners don't sabotage their own online presence, then you don't need Jake Zufelt.

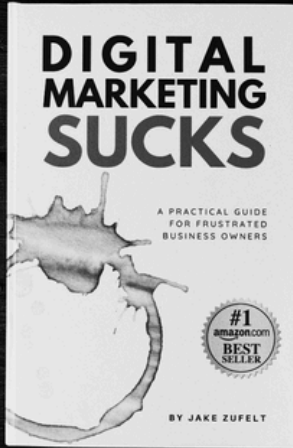

If your marketing expert has already helped hundreds of businesses clarify their message, choose the right marketing methods, create compelling materials, and maintain control over their momentum, then you don't need Jake Zufelt.

If your current team excels in SEO, Google Services, Social Media Marketing, Web Design, and Branding, then again, you don't need Jake Zufelt.

But if you don't – THEN YOU NEED JAKE ZUFELT AND WELDWOOD MARKETING!
